Why are you interested in participating in the invasive plant survey?

Have you volunteered for similar projects? If so, for what organization and please give a brief summary of your volunteer duties.

Are you willing to hike 2-3 miles to survey undisturbed natural areas? (not a requirement)

How many hours over the course of summer and fall do you have available to commit to the invasive plant survey?

If more volunteers apply than are required in the first year would you be willing to wait one year to participate in the survey?
