

**A SPECIAL INVITATION
for Horticulture & Design
Professionals**

ART MEETS HORTICULTURE in the Garden

**A day of
Professional Networking
at Garden in the Woods**

**Monday, September 17
1-5 p.m.**

You and a colleague are cordially invited to **join Horticulture and Design leaders from across New England as our guests for a tour of *ART GOES WILD: Innovation with Native Plants* and an afternoon of networking with fellow professionals.** This is a chance to exchange ideas with colleagues in the Public Garden, Horticulture, and Design fields.

ART GOES WILD: Innovation with Native Plants is a one of a kind environmental art installation celebrating the 75th anniversary of Garden in the Woods. Garden in the Woods Horticulture staff and special guest W. Gary Smith, landscape architect and designer of *ART GOES WILD*, will describe the process of creating a collaborative site-specific art installation and answer questions.
