The New England Wild Flower Society (NEWFS) is pleased to include the following nurseries as part of our member nursery discount program. By special arrangement, these nurseries offer a 10% discount to NEWFS members with the presentation of a valid NEWFS membership card with each purchase of retail non-sale items.

Please check with the nursery for any restrictions that may apply. In most cases, member discounts cannot be combined with other discounts. For mail order, most catalog costs are redeemed by the nursery with your first order. To receive the discount on mail orders, please include a copy of your membership card with your order.

These discounts apply to personal memberships only, and do not apply to Garden Club/Nonprofit, Library, Group, and Group Plus Members.

This discount program is in effect between December 1, 2005, and December 30, 2006.
